SUBJECT No. 206.

Midwives for the malnad.

Mr. Nadig Bhistappa, Sorab taluk.

Summary of discussion.—The decline of population in the malnad has been attributed in part to ignorance in the treatment of women during confinement, and the resultant infant mortality. To afford proper relief to the suffering population in this respect, it is prayed that two midwives may be posted to each malnad taluk.

Mr. C. Srinivasa Rao.—Scholarships should be given to induce women from the malnad to go to Bangalore to get trained in midwifery.

Reply of Government.—Noted.
